

Layout

1. Arrange the blocks into 7 horizontal rows with 5 blocks in each as shown. Place the corner blocks in the four corners, with the edge blocks along the top, bottom and right and left side. Place the center blocks in the center of the quilt. Make sure and position the **corner and edge blocks with the light triangle on the outer edge**.
2. Sew the blocks together into 7 horizontal rows. Press seams as directed by the arrows.
3. Pin and sew the horizontal rows together in two sets of two each, and one set with three, press seams as indicated by the arrows in the illustration. Pin and join rows together. Press seams to one side.
4. Layer backing, batting and top together and quilt as desired.
5. Bind your quilt using your favorite method or, visit my website at www.saginawstreetquilts.com to view and download instructions.
