

Orderly Chaos

Finished Size: 52" x 68"

Finished Block Size: 8" x 8"

The blocks in this quilt were made by repeating black fabric in the patches for each block, then all the blocks were partially bordered with the same black fabric. The resulting pattern makes it difficult to find the original block. The creative process used for the border is fun can easily be used for other quilts.

FABRIC TIP

Choose bright contrasting prints without a lot of pattern so that they appear as solid fabrics from a distance.
