

STRAIGHT LINE PIECING

Workshops by Karla Alexander

It's always so much fun to discover a block that is fast and easy to piece that inspires you to make them again and again. That's what you'll find with this workshop! While anyone can duplicate someone else's design, you'll learn to re-work these blocks making them 100% your own, resulting in your own creative taste. You'll be happy to see how one simple block method will allow you to design table runners/toppers/patchwork for clothing, hand bags and more! This workshop has it all, mastery, mystery, ease, playfulness and endless options.

MASTER CLASSES

Workshops by Karla Alexander

This workshop is truly a work of art. Be prepared to work your quilt one block at a time, enjoying the option of adding or deleting color, shapes and cuts as you go. Each block will be different from the next and the layout for each is entirely your choice. No duplications here, each block will be carefully worked until you are satisfied.
